AI	This is an automated call from Brazos Valley Family Clinic, Dr. Helen Okoro's office. This call is recorded.
AI	I'm calling for Alvin Alvarez. Am I speaking with Alvin, or with someone who helps with Alvin's care?
PATIENT	Yes, this is Alvin.
AI	This is Alvin's monthly check-in. It takes about three minutes: a few questions about medicines, symptoms, and readings. You can ask for a nurse at any time, or say "stop calling me" and these automated calls will stop. Is now a good time?
PATIENT	Yes, now is fine.
AI	Are you taking all your medicines as prescribed? Have you run out of any, or stopped any?
PATIENT	Yes, I am taking all of them.
AI	Any chest pain, pressure, or tightness since the last check-in?
PATIENT	No.
AI	Any new weakness or numbness on one side, a drooping face, or trouble speaking?
PATIENT	No.
AI	Any shaky, sweaty, or confused spells that could be low blood sugar?
PATIENT	No.
AI	Any falls since the last check-in?
PATIENT	No.
AI	Since your last check-in, have you been to an emergency room or stayed in a hospital?
PATIENT	No.
AI	What was your most recent blood pressure?
PATIENT	136 over 71
AI	What was your most recent fasting blood sugar?
PATIENT	104
AI	Is there anything you need from the office — a refill, an appointment, or a call from your nurse?
PATIENT	No, nothing, thank you.
AI	Thank you, Alvin. Priya, your nurse, will review this. If anything gets worse, call the office at +1 979 555 0191, or 911 in an emergency. Goodbye.
